Dear Daniela

Ellmoos Reserve, Sussex Inlet - Community Survey

The playground equipment at Ellmoos Reserve, Sussex Inlet has reached the end of its useful life, and as such Council are planning for its replacement in 2021. Council would like your feedback on how we can best deliver a new playground for the Sussex Inlet Community.

A Get Involved page has been set up for this project which includes a community survey to assist Council in delivering new play equipment at the reserve. The survey will be open until Sunday 27 June 2021.

You can access the Get Involved page and Community Survey online at:

If you need further information about this matter, please contact Kaylene Barrie, City Lifestyles on (02) 4429 5528. Please quote Council's reference 66809E (D21/229253).

Yours faithfully

Kaylene Barrie
